# WE ARE INSPIRED PASSIONATE AND WE LOVE CINEMA

Siamo ispirati da idee originali e buone vibrazioni.

Amiamo esplorare, sperimentare e affrontare nuove sfide, con passione e partecipazione, apportando sempre il nostro 'Plus'.

Produciamo film indipendenti, guardando a un cinema classico, fatto di generi diversi, dove prevalgono profondità e leggerezza, territorio e sogno. Un cinema di intrattenimento di qualità che sa raccontare ogni storia in modi sorprendenti e innovativi. Non importa quanto reale o grottesco, quanto palpabile o ineffabile, quanto concreto o ambiguo, il risultato sarà un mondo a parte, in una parola: Unico.

We are inspired by original ideas and good vibes.

We love to explore, test and face new challenges, with passion and participation, while always bringing in our 'Plus'.

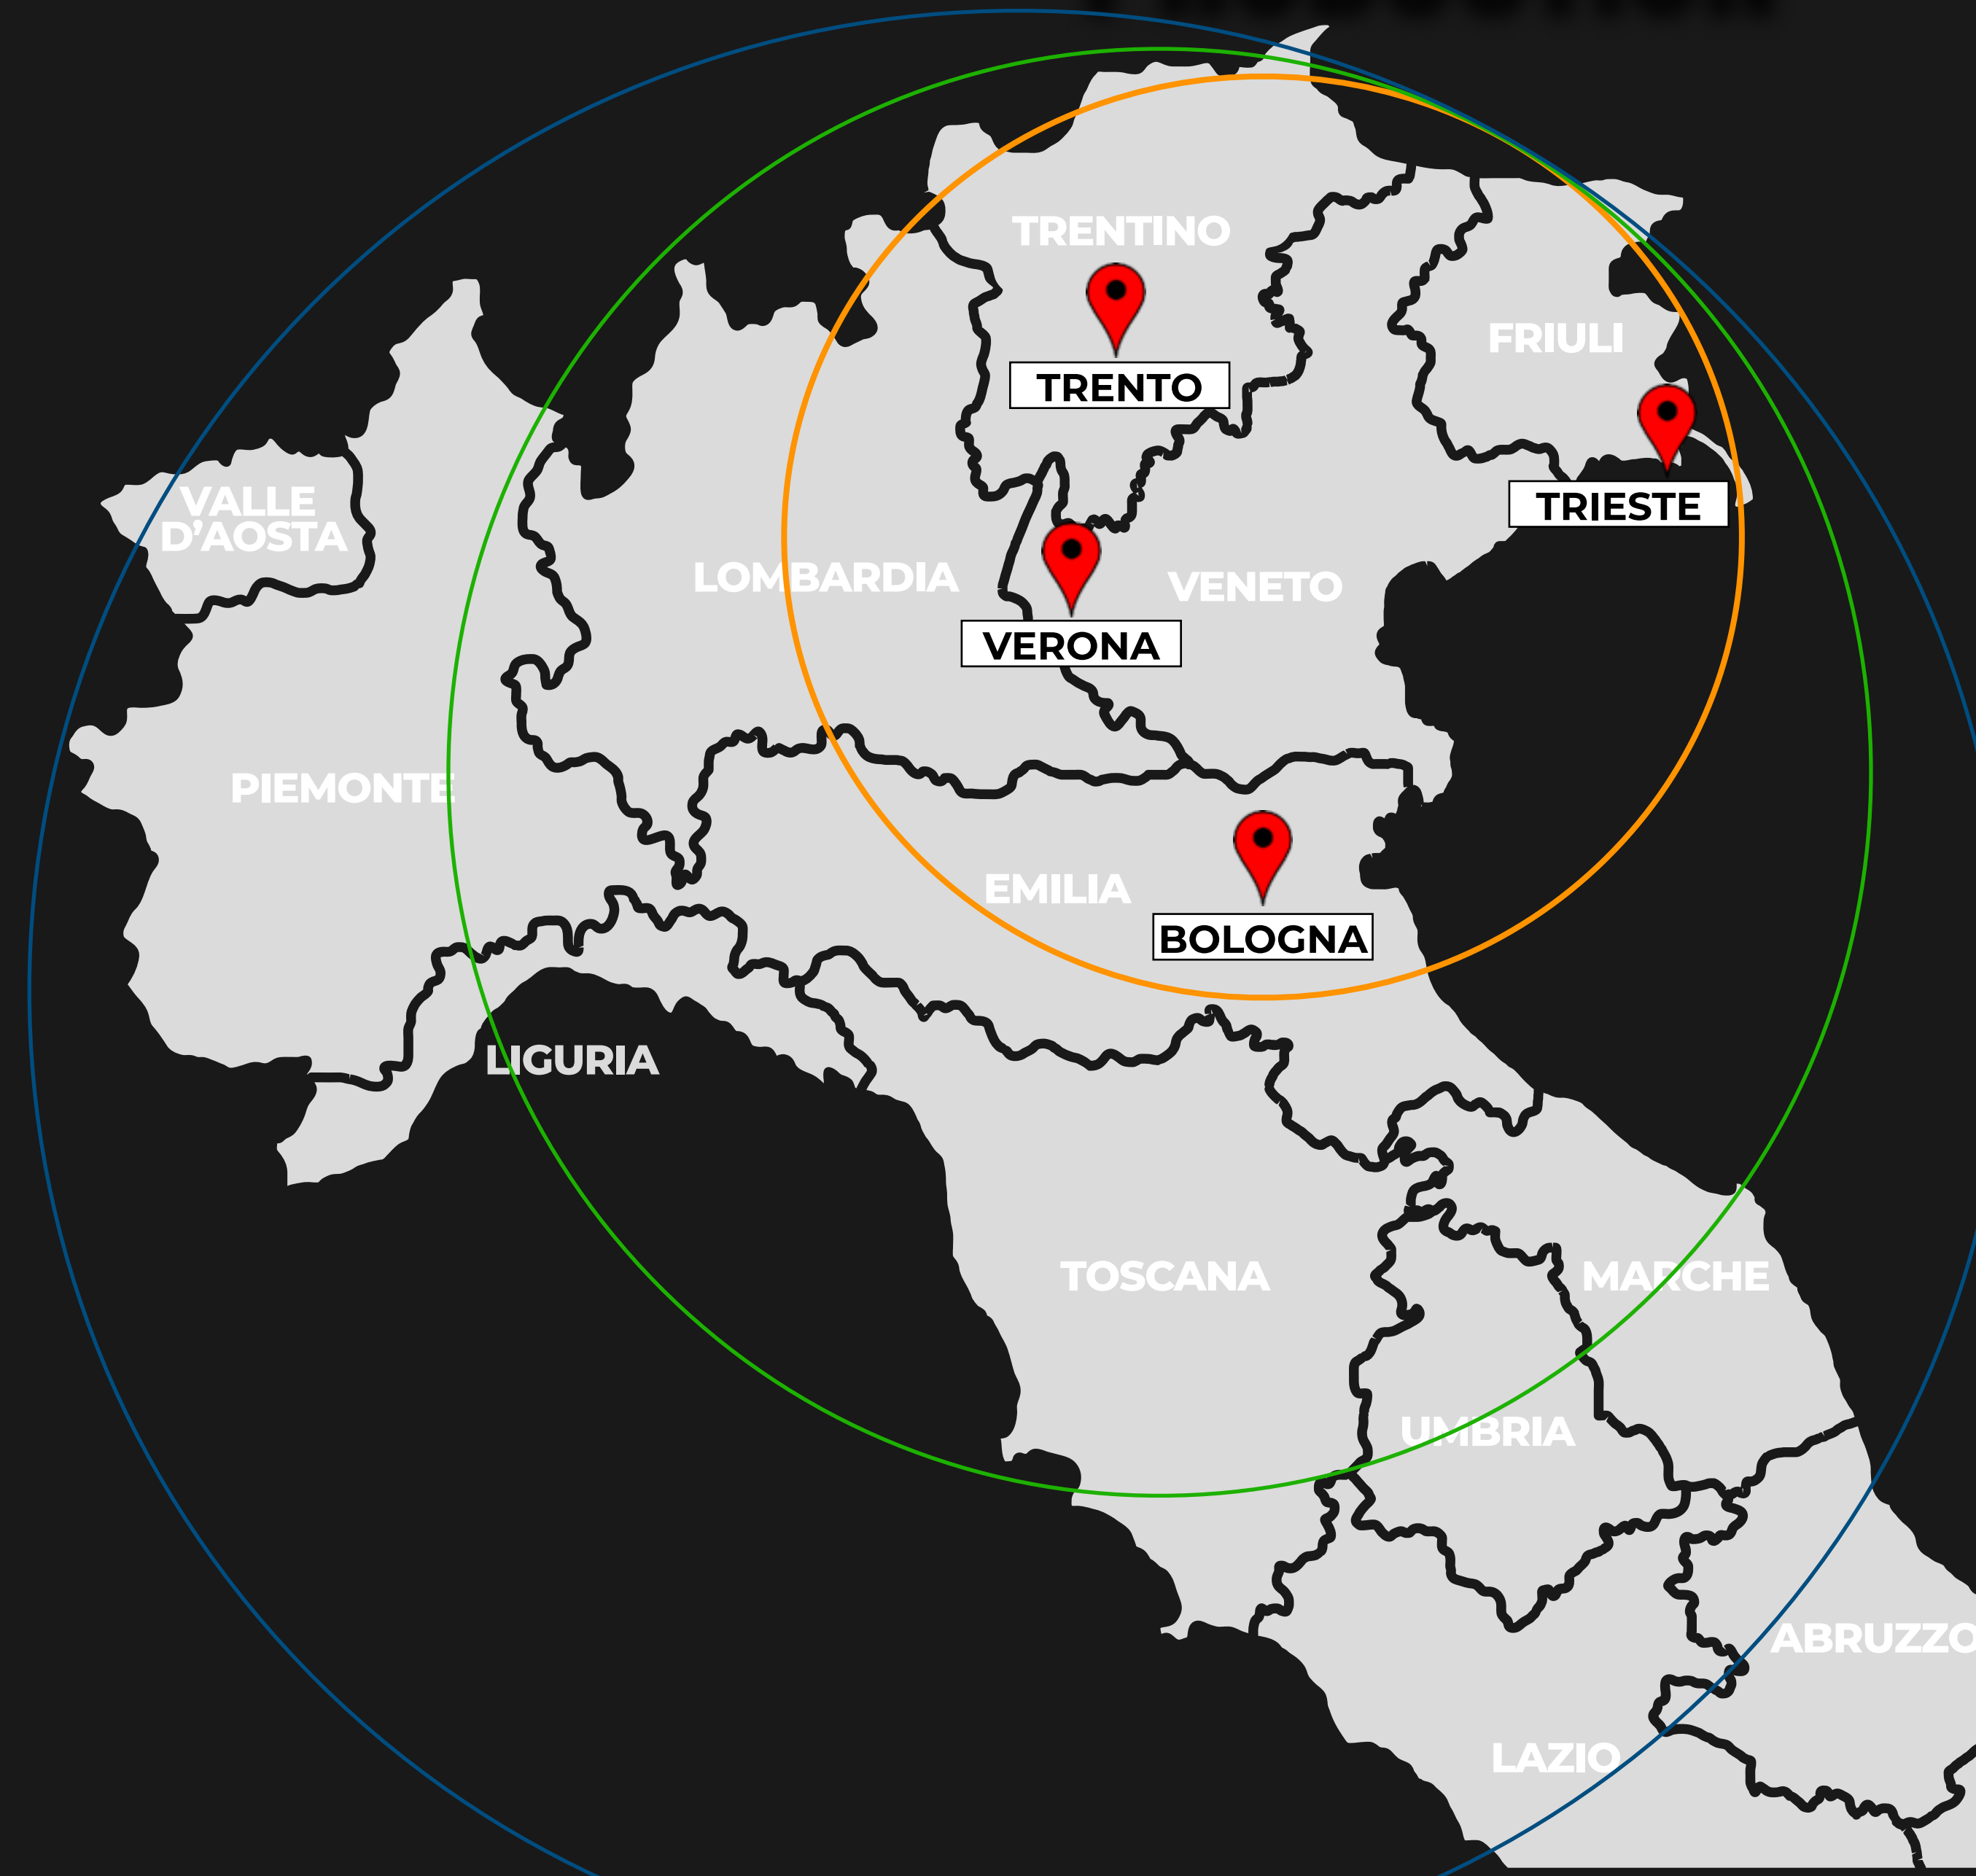

We produce independent films, looking at a classic cinema, of various different genres, where depth and lightness, territory and dreams prevail. A quality entertainment cinema that knows how to tell a story in surprising and innovative ways. No matter how real or grotesque, how palpable or ineffable, how concrete or ambiguous, the result will be a world apart, in a word: unique.
